

5<sup>th</sup> International scientific conference on Green development, green infrastructure and green technologies

# GRE•DIT 2024

[www.benainfo.net/gredit](http://www.benainfo.net/gredit)

[gredit.conference@gmail.com](mailto:gredit.conference@gmail.com)

Conference dates: **16<sup>th</sup> to 18<sup>th</sup> of May 2024**  
Venue: **SKOPJE, St. Cyril and Methodius University, Technical Campus**  
Abstract deadline: **5<sup>th</sup> April 2024**

The conference will include: Book of Abstracts, Oral presentations, Posters and Round tables. Selected papers from the Conference will be published in: Journal of Green Development, Journal of Environmental Protection and Ecology (Thomson Scientific), Mechanical engineering – Scientific Journal, International Journal of Sustainable Agriculture and Informatics, IJES and other Journals. Full papers that will not be selected for publishing by the Journals will be published in Extended Proceedings of the Conference. Conference awards: Best presentation award (1st, 2nd and 3rd). Best presentation by young scientist. The Conference early fees: 150 euro for first author; 70 euro for accompanying person; 90 euro for students. Regular fee for the Conference is 300 Euro. Fee includes tourist excursions with cultural event in Skopje, including meals during 2 days' event of the conference and official dinner.

This year, the three best papers by young researchers will be published in the International Journal of Ecosystems and Ecology Science (IJES) for free!

The aim of the GREDIT 2024 international conference is to contribute to sustainable development in a multidisciplinary way, exploring the following topics:

1. Air – water – soil pollution
2. Biodiversity
3. Risk assessment
4. Health and environment
5. Climate change
6. Environmental legislation and regulative
7. Agriculture, Forestry, Food Quality safety
8. Eco - innovations
9. Sustainable development
  - o Circular economy
  - o Waste management
  - o Waste water management
  - o Smart cities/societies
  - o Green architecture, landscape design
  - o Green transport
  - o Renewable energy resources, Energy
  - o Energy efficiency
  - o Management of natural resources

Round tables: Waste management plans, Air quality plans

Events: *ECO Innovation pitch event 24*, **Energy Fair@FME**

## Organizers:

St. Cyril and Methodius University in Skopje, Faculty of mechanical engineering, Balkan Environmental Association BENA; Chamber of certified architects and certified engineers; Pakomak Skopje; Research and center FUEL; 6<sup>th</sup> Star;
